This book is dedicated to: **Mrs. Pate**

About the Wonderful Mrs. Pate

Mrs. Pate has taught for the Winslow Unified School District for 24 years. She has taught Elementary, Middle, and High School, and has loved every grade! Mrs. Pate has said the best part of teaching is getting up in front of the class and teaching the lessons, as well as seeing the "ah-ha" moments a student has when they finally understand a concept. During retirement, Mrs. Pate plans on spending time with her children and grand-children, and living the life of a Pastor's wife, traveling with her husband, wherever God may take them.

Happy Retirement Mrs. Pate!!! Your dedication to children and WUSD is truly admired!

*Thanks for
the Memories*

We will miss you!

COACH

Couch, friend, leader, biggest fan.
There aren't enough words to describe
When you've meant so much these years.
You've been by our side through thick and thin.
Whether it's a fun, fun game or a
Or to what never changes.
You've brought us strength when we were weak.
You've given us courage when we felt need.
Always pushing us to do our best.
He never gave up until we've beaten the rest.
You taught us how to be a team.
And to strive for our goals.

No matter how impossible they seem.
We've been pushed, yelled at, preached at, too.
But the more that this happened, the more we
grew.
We will carry you with us for the rest of our lives.
Hearing that voice encouraging us to overcome
any strife.
It's hard to say good-bye, but we want you to
know
how much we love you for that friend we call
Coach.

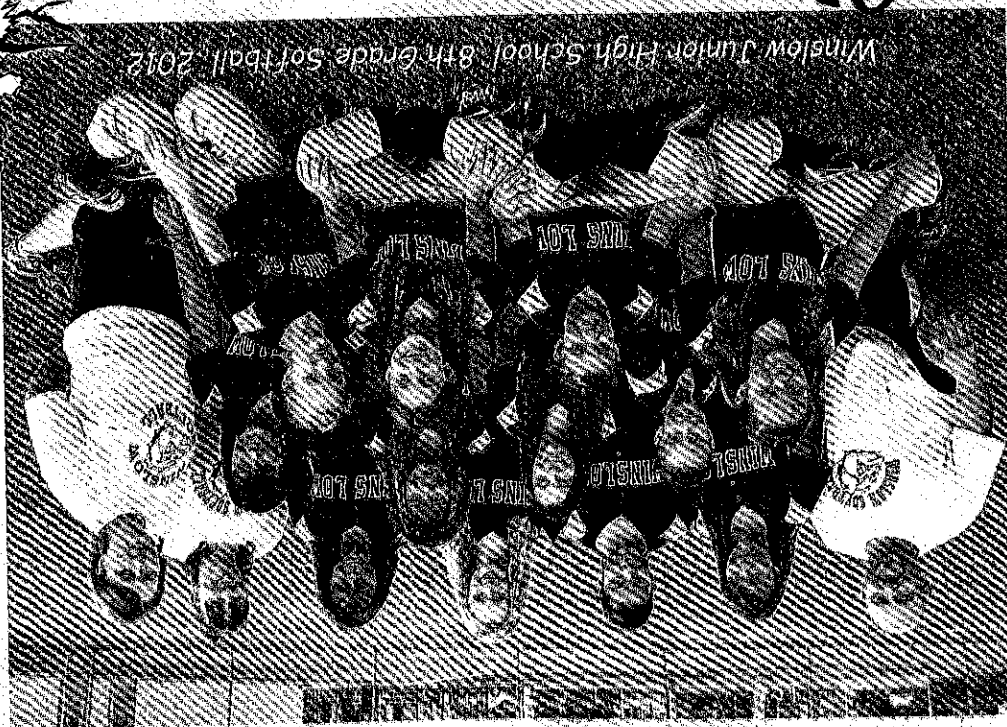

Becky Barris was a part of the Winslow Unified School District family for many years. She was a beloved friend, teacher, and coach. We will miss her very much!
